

CRYSTAL CUBE 2022/23.

Ein unvergessliches Erlebnis.

If you are seeking culinary delights at a whole new level, you can now find them in a unique location: the Crystal Cube. Close to the "Z1" viewing platform, at a height of 2,600 m you will find a larger-than-life inclined cube structure. The exterior is made from mirrored glass, meaning that no one can peek in from the outside, which gives you an extra-terrestrial feel. But as soon as you step inside the cube, your perspective changes dramatically. Thanks to a facade made entirely from glass, you have fantastic 360-degree views of the winter mountain panorama. You have the choice of three different culinary delights: a breakfast with sparkling wine, luxury lunch or High Tea depending on the time of day. The Crystal Cube is exclusively reserved for you for two hours through each booking. The maximum number of people is 8.
